

Bài 1:

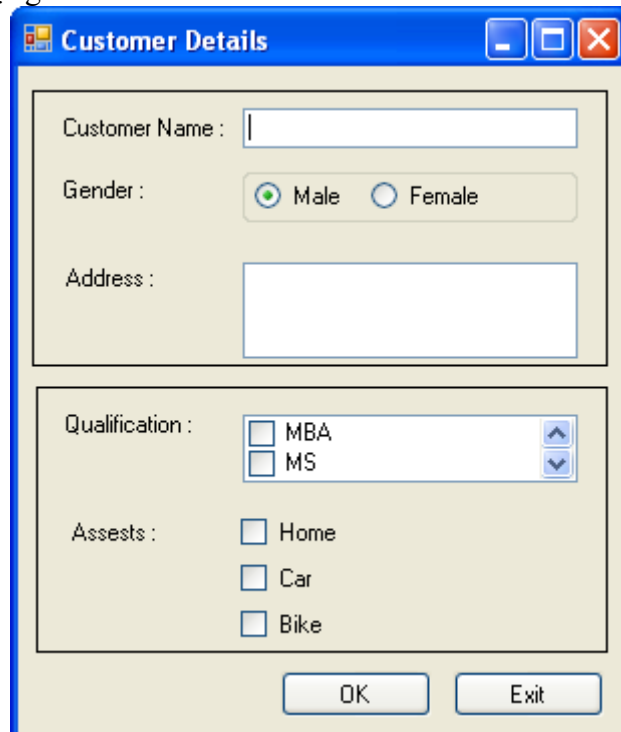

Tạo 1 ứng dụng windows như sau:

The screenshot shows a Windows application window titled "Car Details". It features a blue title bar with standard Windows window controls (minimize, maximize, close). The main content area has a light beige background. On the left, there is a "Car Models:" label followed by a dropdown menu currently showing "Honda City". Below this, under a "Details" section, are three text input fields: "Engine Model:" with "SD423", "Mileage:" with "30 kmpl", and "Max Speed:" with "210 kmph". On the right side of the window is a photograph of a yellow convertible car parked in a snowy outdoor setting.

Khi người dùng chọn model của xe trong combobox thì chi tiết của model xe đó sẽ được hiển thị.

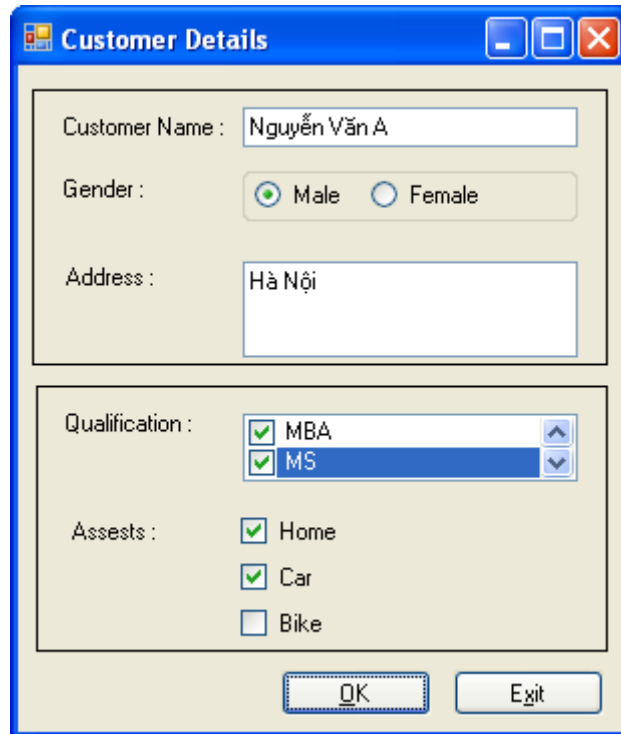

Bài 2: Tạo 1 ứng dụng windows như sau:

The screenshot shows a Windows application window titled "Customer Details". It has a blue title bar with standard Windows window controls. The main content area has a light beige background. The form contains several input fields: "Customer Name:" followed by a text box; "Gender:" with two radio buttons, "Male" (selected) and "Female"; "Address:" followed by a large text box. Below these is a "Qualification:" section with two checkboxes, "MBA" and "MS", each followed by a small list box showing "MBA" and "MS". At the bottom, there is an "Assests:" section with three checkboxes: "Home", "Car", and "Bike". At the very bottom of the window are two buttons: "OK" and "Exit".

Khi người dùng click vào nút OK validate form này.

Khi người dùng nhập đầy đủ thông tin thì hiển thị ra thông báo:

A Windows-style dialog box titled "Customer Details" with a blue title bar and standard window controls. The form is divided into two sections. The top section contains a text box for "Customer Name" with the value "Nguyễn Văn A", a radio button group for "Gender" with "Male" selected, and a text box for "Address" with the value "Hà Nội". The bottom section contains a list box for "Qualification" with "MBA" and "MS" selected, and a list of checkboxes for "Assests" with "Home" and "Car" selected. At the bottom are "OK" and "Exit" buttons.

Customer Name : Nguyễn Văn A

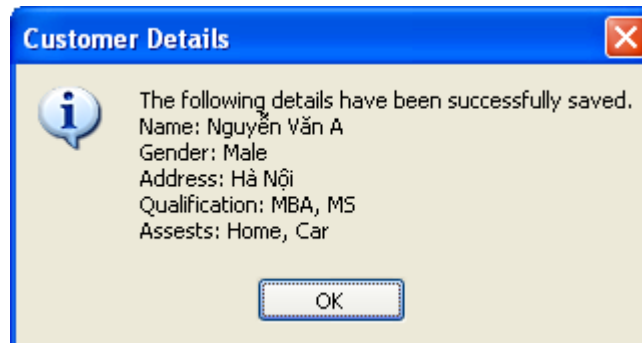

Gender : ☒ Male ☐ Female

Address : Hà Nội

Qualification : ☒ MBA ☒ MS

Assests : ☒ Home ☒ Car ☐ Bike

OK Exit

A confirmation dialog box titled "Customer Details" with a blue title bar and a close button. It features an information icon and a message stating that the details have been successfully saved, followed by a summary of the entered data. An "OK" button is at the bottom.

The following details have been successfully saved.  
Name: Nguyễn Văn A  
Gender: Male  
Address: Hà Nội  
Qualification: MBA, MS  
Assests: Home, Car

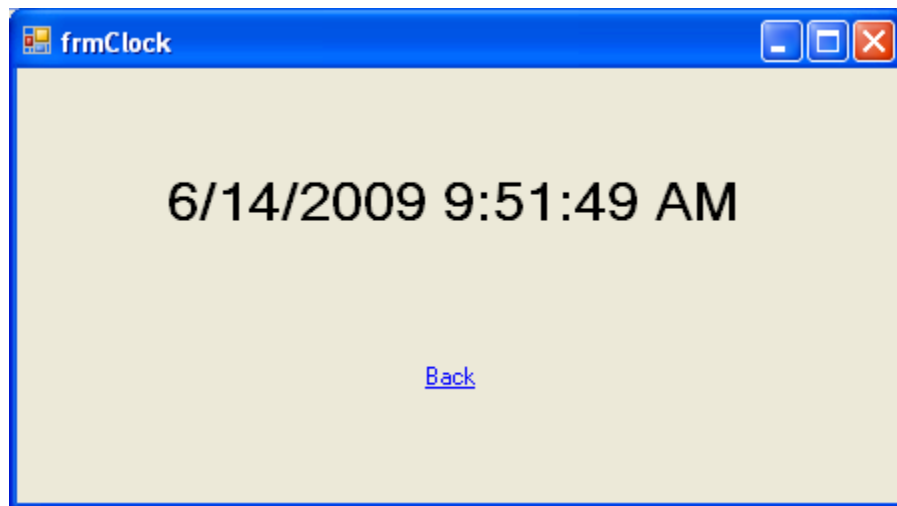

OK

Bài 3: Tạo một ứng dụng Windows như sau:
